

# skin so soft product 101

## **BATH OIL**

Leaves skin feeling amazingly soft. Doubles as an after shower softening treatment when applied to damp skin.

## **BAR SOAP**

Skin-nourishing bar soap with a creamy lather leaves skin cleansed, soft and smooth.

## **GELLED BODY OIL & SPRAY**

Provides instant and lasting hydration without the sticky or greasy after-feel.

## **SHOWER GEL & BODY WASH**

Gentle cleansers that soften and condition skin.

## **BODY LOTION**

Relieves dry skin with long-lasting moisture. (Milk Lotion and Body Souffle/Butter have different textures.)

## **LIP BALM**

Ultra-moisturizing and nourishing formula hydrates and softens lips.

## **HAND CREAM**

Pampers hands with 24 hours of moisturization.

## **DEODORANT**

Provides 24-hour wetness and odor protection for all-day freshness
