fmg Glimmer

Satin Lipstick

Results You Can Expect

- Lightweight, smooth, creamy, texture
- Soft satin finish
- Buildable medium to full coverage

You'll Love It Because

- Silky, smooth even application.
- Pomegranate-infused formula helps boost moisture levels and smooths lips, which means your lipstick is more than just a pretty color; it's doing good things for you too!
- Need buildable coverage? Check! Go from subtle to bold – day to evening – with a couple of swipes.

Shade Range

- Explore universally wearable nudes to statement reds and everything in between to fit any style, any mood, any occasion. Find your signature shade or experiment with something new!
